

## Physiotherapy Services from Bloom Healthcare

At **Bloom Healthcare**, our **Physiotherapists** offer a range of services for people with disabilities.

We provide services:

- **In your home or in the community.**
- **Tailored** to meet your needs and fit within your **NDIS plan.**

# What We Do

Our Physiotherapists can help with:

- **Neurological rehabilitation** (for conditions like stroke).
- **Hydrotherapy** (exercise in water).
- **Massage therapy.**
- **Functional assessments** (to check how your body moves).

We also offer **Assistive Technology** to help you:

- **Heal.**
- **Achieve your goals.**
- Become more **independent.**

# Who We Are

Our team is registered with:

- The **Physiotherapy Board of Australia**.
- **AHPRA** (Australian Health Practitioner Regulation Agency).

We are passionate about helping you:

- Improve your **gross motor function** (big movements like walking).
- Improve your **fine motor function** (small movements like gripping).
- Improve your **overall mobility**.

# How We Help

We create a **customised plan** just for you, focusing on:

- **Physical well-being** (helping your body).
- **Psychological well-being** (helping your mind).
- Improving your **quality of life**.

Our goal is to:

- Help you **reach your goals**.
- Improve your **mobility**.
- Give you the **best possible service**.
